

1.67 Revising vocabulary – animals

Topic: Animals
Subtopic: Describing animals
Activity type/skill: Vocab revision
Literacy focus: Writing
Genre: Information reports

Objective

- Recall vocabulary relating to mammals, birds, insects and molluscs.

What you need

- Student worksheet (see next page)
- [Animals vocab cards](#)

What to do

- Use the pictures to revise the 80 target words and specialist vocabulary relating to animals.
- Talk about the animals using language patterns students have practised.
- Talk about things students would expect to write in an information report about animals.

body	born	breathe	dark	female
group	grow	hear	help	land
live	look for	male	move	produce
see	smell	warm	water	young

catch	develop	dry	egg	fly
hard	inside	light	long	narrow
run	shell	short	sharp	sing
small	soft	strong	swim	walk

about	break (out)	call	change	cold
colour	different	heavy	hole	human
join	kind	large	outside	pair
part	plant	sound	touch	usually

close	dig	end	enemy	hide
hungry	like	mark	open	place
rock	rough	sea	slowly	smooth
sun	together	use	weather	wet
