

### 3.9 Using target vocabulary – growth

**Topic:** Plants

**Subtopic:** Growth

**Activity type/skill:** Quiz

**Literacy focus:** Vocabulary

#### Objective

- Recall and use vocabulary relating to plants.
- Use vocabulary in a meaningful science context.

#### What you need

- Student worksheet (see next page)

#### What to do

1. Look at the student worksheet.
2. Have students complete the quiz in pairs in competition with other pairs. They need to discuss each question and must reach consensus on their answer. They may challenge and be challenged to defend answers to some questions. If they can justify their answer, it is acceptable.
3. Compare answers.

#### Answers:

1. T
2. F
3. F
4. T
5. F
6. F
7. F
8. F
9. F
10. T
11. T
12. T
13. F
14. T
15. F

#### Extending the activity

- Get the students to make up questions about plants and quiz each other.

## Activity nine

### Plant quiz

- |    |  |      |       |
|----|--|------|-------|
| 1  | Plants move their leaves towards the sun.                | True | False |
| 2  | All plants have leaves of the same kind.                 | True | False |
| 3  | Plants can move from place to place.                     | True | False |
| 4  | All plants are living things.                            | True | False |
| 5  | Plants eat other plants.                                 | True | False |
| 6  | All plants have flowers.                                 | True | False |
| 7  | All plants are trees.                                    | True | False |
| 8  | All plants grow on land.                                 | True | False |
| 9  | All plants breathe with lungs.                           | True | False |
| 10 | All plants reproduce.                                    | True | False |
| 11 | Plants get energy from the sun.                          | True | False |
| 12 | A leaf is the part of a plant that makes food.           | True | False |
| 13 | Plant roots take up light from the soil.                 | True | False |
| 14 | Plants need gases from the air, light and water to grow. | True | False |
| 15 | All living things are plants.                            | True | False |
