

1.36 Listening to pictures – gulls

Topic: Animals

Subtopic: Birds

Activity type/skill: Word/picture matching

Literacy focus: Listening

Genre: Information reports

Objective

- Developing listening fluency.

What you need

- Student worksheet (see next page)
- [Audio track 1.36](#)

What to do

1. Look at the pictures in the student worksheet and talk together about gulls, eggs hatching, young birds developing, nestlings leaving the nest and learning to fly. Use key words like 'hatch', 'chick', 'grow', 'flap wings' and so on.
2. Explain that the students must listen to the track and follow the instructions.
3. Play track 1.36 (Track 11 for this topic) and have students complete the activity individually. Mark the activity by listening to the track with the whole group.
